6TH SUNDAY IN ORDINARY TIME

He said to him, "See that you tell
no one anything, but go, show
yourself to the priest and offer for
your cleansing what Moses
prescribed; that will be proof for
them." The man went away and
began to publicize the whole
matter. He spread the report
abroad so that it was impossible
for Jesus to enter a town openly.
- Mk 1:44-45b

Pastor's Message—From Father Dave

"A leper came to Jesus and kneeling down begged him and said, 'If you wish, you can make me clean.' Moved with pity, he stretched out his hand, touched him, and said to him, 'I do will it. Be made clean.'"

Leprosy was a highly-contagious disease that basically caused the skin to rot and fall off. Because it was so contagious, those who had the illness were ostracized. They were pushed out of their homes and their communities. They were not allowed to worship in the synagogues. Instead, they were forced to live in the caves where people buried their dead. When this man comes to Jesus for healing, he is asking for more than the healing of his body. He is also asking that his family, his community, and his worshipping community may be made whole again by his presence.

The leper had faith in Jesus. He approached the Lord, knowing that He had the power to restore wholeness to his life and the life of those who were his friends and family members. Today we must have the same faith and ask Jesus to make us whole again. As individuals, we have places where we need God's healing power, but our society also needs our Lord's presence to heal the divisions that we cause. There are persons and groups of people in our society who are marginalized or ostracized because of their health, lifestyle, or beliefs. Now more than ever, we need the presence of Jesus Christ, who heals the broken-hearted.

"What other people think of me is becoming less and less important; what they think of Jesus because of me is critical." -Cliff Richard

God Bless,
Father Dave

WHY DO WE DO THAT? Catholic Life Explained:

Question: What is the difference between a "Saint" and a "Blessed"?

Answer: The process of proclaiming someone as a saint in the Catholic Church has evolved over the course of many centuries. In the beginning, those honored as saints were almost exclusively biblical figures or martyrs. However, after the legalization of Christianity in the fourth century, new holy women and men came to be honored as saints, and this was often done by popular acclaim or by the local bishop or abbot.

It was Pope Gregory IX (who was pope from 1227 to 1241) who officially proclaimed that only the pope had the authority to add someone to the official list (the "canon") of saints. This is the meaning of the word "canonization." Today, the saint-making process includes several steps, including detailed studies of the person's life and a recognition that they died as a martyr or lived a life of "heroic virtue." Once someone is recognized as a martyr or if a miracle is attributed to their intercession, they will be beatified and honored as "Blessed." This means that they can be celebrated by Catholics in a particular country or region or by the members of certain religious community. If another miracle occurs and is approved, then the "Blessed" is canonized and honored with the title "Saint," meaning that they are now officially recognized as a universal model of holiness and an intercessor. ©LPI

I turn to you, Lord, in time of trouble, and you fill me with the joy of salvation. (Ps 32)

Second Reading:

Whether you eat or drink, or whatever you do,

Live The Liturgy Inspiration of the Week

It was pity that moved the heart of Jesus to heal the leper. He worked this miracle because the leper, in his faith, boldly asked him to. Have that same courage in approaching God with your needs. Have that same faith in His power to heal.
