21ST SUNDAY IN ORDINARY TIME

Jesus then said to the Twelve,
"Do you also want to leave?"
Simon Peter answered him,
"Master, to whom shall we
go? You have the words of
eternal life. We have come to
believe and are convinced
that you are the Holy One
of God." - Jn 6:67-69

Excerpts from the Lectionary for Mass ©2001, 1998, 1970 CCD

Pastor's Message—From Father Dave

"...Many of His disciples returned to their former way of life and no longer accompanied Him. Jesus then said to the Twelve, 'Do you also want to leave?' Simon Peter answered Him, 'Master, to whom shall we go? You have the words of eternal life.'"

All three readings for Mass this weekend are about commitment. In the first reading, we hear the story of Joshua asking the Israelites to decide whom they will serve. He says that he and his household will serve the Lord. The Israelites also re-commit themselves to serving the Lord. In our Gospel, we hear that many people could not comprehend Jesus' teaching, especially about eating His Body and drinking His Blood. Because this was too much for them, they walked away from the commitment that they made to following Him.

What about the commitments you have made in your life? Are you faithful to them? I believe that we are more tempted, not to break commitments totally, but to be half-hearted in living them. We generally keep our commitments, but we only give 50 or 75 percent (or maybe less) instead of giving 100 percent of ourselves to our family, parish, and community.

This weekend, we are challenged to examine the many commitments that we have made and to reflect upon how much of ourselves we give to staying faithful to them. We have all known difficult times in our lives when people committed themselves and their love to help us and hold us up in our weakness and brokenness. Jesus does the same for us. May we show the same kind of committed love that Joshua, Saint Peter, and Jesus show in our readings this weekend.

"To fall in love with God is the greatest romance; to seek Him the greatest adventure; to find Him, the greatest human achievement."
-Saint Augustine

When we commit to serve the Lord, we become a disciple in the work of the Lord. A disciple is a person who spends time in prayer every day, joyfully participates in charitable works and generously supports their local parish and Church mission. If we say we serve God, our words and actions should reflect the Gospel message to others.

Blessing of the New Tabernacle

A Message from Father Dave Belt

Dear Saint Stephen parishioners, On the Solemnity of the Assumption of the Blessed Virgin Mary, I had the great privilege of blessing our new tabernacle. It was so fitting that we have the blessing on this great Feast: As Mary was the first Tabernacle of Jesus, so we bless the Tabernacle in our church that holds the Most Blessed Sacrament of Jesus Christ. I would like to offer a few points for your consideration regarding the Tabernacle:

- I'm very grateful to the donors who funded this project. We have added a lot of sacred art on our property and in our church in statues and Stations of the Cross in the last two years. We have also replaced our sacred vessels we use for Mass. We have more that we want to add or replace, and are always grateful for the generosity of our people.
- We're very grateful to the donors of the original Tabernacle. As most of you know, the lid of this Tabernacle opened like a treasure chest, and not like a door, which is most common. For the last two years, the hinges have been loose and broken. We had locksmiths, metalsmiths, carpenters, and other skilled parishioners look at it to see how it could be repaired. We even had an expert who restores Tabernacles examine it. The answer we received was the best plan would be to replace it. One of the top priorities of the Church is that the reserved Blessed Sacrament in the Tabernacle be secure. We felt it wasn't secure with the broken hinges.
- Some people have asked why we didn't place the new Tabernacle in the church. The easiest answer to that question is that we don't have the archbishop's permission to change the placement of the Tabernacle at this point. The documents on the liturgy say that the diocesan bishop makes the final decision about the placement of the Tabernacle in a church. Archbishop Lucas and I have talked several times about our church, and the need for it to be renovated. We need to replace the pews, floor covering, and some of the lighting. We also need to look at providing enough space for our people to be in the church, without setting up chairs in the Gathering Space. In the next three to five years, we will be making plans to renovate the church, and the placement of the Tabernacle will be included in the planning process. I would like to have the Tabernacle visible in the church, as the instructions from the Church require. At this time, we don't have an appropriate place for the Blessed Sacrament in the church. I humbly ask you to be patient with this process, so that we may offer our Lord a beautiful, holy, and secure place to be present.
- Finally, I ask you to pray for the leadership of our parish, as we discern what we need to renovate or build to provide for the needs of our community. As you know, building anything is expensive, so we will need the financial support of our entire parish.

I'm very grateful for your love of the Sacrifice of the Mass and Adoration of the Blessed Sacrament. Let us be patient, as we make the best decisions we can about the future of our parish. I know I can count on you for your prayerful support through these exciting and challenging times. Please know that I love you, and that I hold you in my daily prayers. May God bless us and our community of faith!

In Christ,
Father Dave

WHY DO WE DO THAT? Catholic Life Explained:

Question: What kind of religious practices should we begin, once we marry, to help us practice our faith each day?

Answer: Your spiritual life as a couple is important. The sacrament of Marriage is a gift and a grace, but living it well isn't always easy! It requires intentionality and perseverance. Growing your spiritual life as a couple also requires a plan. Life can be incredibly busy. There's never "enough time" for everything we want to do. But we can live by our priorities. If we don't prioritize prayer, we'll find it slowly disappear from our lives.

If you're not already praying individually, that's a good place to start. If your schedules are similar, take some quiet time at the same time to help hold each other accountable. Praying together is also important! You could start by looking at the religious practices of your family and of families around you that you respect. Talk with your spouse about the ones who make the deepest impression on you or were most meaningful when you were young. Think about what you want your future children to experience. Making faith a commitment now will mean it is engrained habit when you grow your family. Ultimately, these faith practices should help us grow in our love for God and for one another. ©LPi

Live The Liturgy Inspiration of the Week

Many followers of Jesus could not accept his teachings. To those that remained, he posed a simple question: "Do you also want to leave?" He asks us the same, every moment of every day. Let us answer with confidence, in all that we do: "Only you have the words of eternal life."
