25TH SUNDAY IN ORDINARY TIME

“Are you envious because I
am generous?” Thus, the
last will be first, and
the first will be last.”
- Mt 20:15-16

Excerpts from the Lectionary for Mass ©2001, 1998, 1970 CCD.

GILF

Pastor's Message – From Father Dave

“My friend, I am not cheating you. Did you not agree with me for the usual daily wage? Take what is yours and go. What if I wish to give this last one the same as you? Or am I not free to do as I wish with my own money? Are you envious because I am generous?”

This Gospel always seems to get people stirred up. Why should the latecomers to the vineyard get the exact same wage as those who went early in the morning? It is believed that this parable is addressed to those people who didn't like the fact that Jesus was receiving tax collectors and other notorious sinners into His life. There were a number of self-righteous people that believed that it wasn't fair that these terrible sinners, these outcasts of society, should be given the gift of forgiveness and should be accepted into the mainstream of society.

We humans have a particular view of what is fair and isn't fair. The problem is that God's understanding of fairness is very different than ours. This parable teaches us that God is in charge and that He showers down His grace on everybody—early risers and latecomers. Even people who squandered their gifts and their lives will always have an opportunity to repent and receive eternal life.

Jesus is trying to reverse our thinking today about fairness and about how God works. We must always remember the bottom line of this parable: God's rewards are not earned. They are always gifts.

“No one has the right to sit down and feel hopeless. There is too much work to do.” – Dorothy Day

*In Christ,
Father Dave*

Take Action to Protect Mothers and Babies from the Abortion Pill

The United States Conference of Catholic Bishops are calling Catholics to help stop dangerous abortion drugs. In Nebraska, over 80% of abortions are chemical abortions administered through a two-pill process. The action items call on Catholics to 1) tell major US pharmacies (like Walgreens and CVS) to stop selling the abortion pill; 2) call on the US Food and Drug Administration (FDA) to reverse its approval of mifepristone (the first of two pills used in the chemical abortion process); and 3) ask Congress to act on legislation which would rescind the FDA's approval of mifepristone and allow mothers to file private lawsuits against manufacturers of abortion drugs. Use the QR to sign the petition. Thank you for advocating for the innocent and a more just society.

WHY DO WE DO THAT?

Catholic Life Explained:

Question: November 9 is the feast of the Dedication of the Lateran Basilica in Rome. What is the significance of this feast?

Answer: Every diocese has a mother church, the bishop's cathedral, where the diocesan church gathers and celebrates. The cathedral is the seat of the bishop's authority over the diocese. That authority is intended to be one of service to God's people, shepherding and guiding them in a truly pastoral mode.

The pope is first and foremost the Bishop of Rome, as well as the head of the Roman Catholic Church. St. John Lateran is his cathedral, and its prominence derives from that reality. St. John Lateran Cathedral traces its origins to Emperor Constantine, who converted a portion of the Laterani family palace into a church, and gave it to Pope Sylvester (314-335) as the papal church and residence; St. John refers to the two saints in whose honor the church is dedicated, John the Baptist and John the Evangelist. It became known as the cathedral of the pope, and its facade's inscription refers to it as "the Mother and Head of all Churches, in the City and of the World." The universal celebration of this feast emphasizes unity among Roman Catholics as they unite with the chair of Peter. ©LPi
